Welcome to Walk for WAGEC!
Thank you for walking to call for an end

Thank you for walking so that women and families can walk away from violence.

With your help, we can reach our target of \$500,000 to fund crucial programs for women and children that restore safety, build financial independence and stop violence before it starts.

We've put together this Welcome Pack to support you and your workplace to help you make the most out of your fundraising.

WHY WE'RE WALKING

Gender-based violence takes a profound toll on women, children and communities. **It impacts all of us.** This is why we're asking you to Walk for WAGEC - so that women and children can walk away from violence.

NOW THAT YOUR WORKPLACE IS REGISTERED

Your next step is letting everyone know that your workplace is walking for a good cause! Raise money by asking your community to donate to your Walk for WAGEC page. Then, your donations will automatically pool with the rest of your co-workers to reach your workplace's fundraising goal and help us build safer futures for women and children. Every dollar counts!

Set up your profile

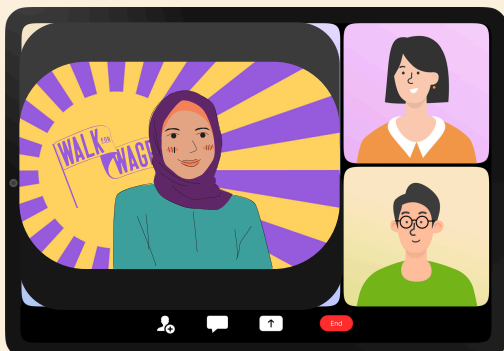

Even though you are part of a workplace team, you have your own individual fundraising page. Personalising your individual page will show how committed you are to reaching your workplaces's goal, and encourage your supporters to donate. WORKPLACE WEEK

Here's everything your workplace needs to know about walking during Workplace Week!

Monday 28 April - Sunday 4 May

Walk anytime, anywhere during Workplace Week! Take advantage of your lunch hour, or block out an afternoon to walk 10km with your co-workers.

Want to join us on event day instead?

We'd love to see you at Centennial Park on Sunday 4th May! Please let us know if you're attending so we can welcome you on the big day by emailing walk4wagec@wagec.org.au.

You can find out more about walking on event day [here](#).

Before your walk

Are there workplace resources I can use to help with fundraising?

Yes! We want your workplace's fundraising experience to be a breeze, so we've compiled all the resources you'll need to succeed. Optimise your fundraising campaign by using our workplace-specific resources [here](#).

Will my donors get a receipt?

Yes. After they've made a donation, we'll send them an email to thank them that will include their DGR receipt.

Do we need to tell WAGEC when we're walking?

Workplace Champions will receive a check-in call from our team to go over the details of your walk and help set you up for success!

Your workplace walk

Can we walk during work hours?

Yes (although that's up to your boss)! You can walk any time, anywhere that suits you between Monday 28th April and Sunday 4th May. You could choose to get your steps in before, during or after work - whatever suits you and your colleagues.

Do we have to walk the full 10km?

Nope! We know that 10km is quite a long way, so if you need to tap out early we encourage you to do so. The most important thing is showing up in whatever capacity you can! Whether you walk 1km or 10km, every step gets us closer to safer futures for women and children.

Can we run 10km instead of walking?

If running is your jam, you are absolutely welcome to run the 10km instead of walking! However you complete your kms, know that you're making a positive difference.

Share your steps!

Bring us along on your workplace Walk! We love to see colleagues taking steps towards safer futures - and your networks probably do too! Remember to share your happy snaps on social media and use the tag #walkforwagec so we can come along.

If you're interested in having a WAGEC representative attend your workplace walk, get in touch!
